MEMORANDUM FOR: Chairman of Training Selection Board, OTR

SUBJECT : Withdrawal of Nomination for Senior School

STATINTL 1. [REDACTED], has been nominated as one of the principals to attend the Industrial College of the Armed Forces at the 1966-1967 session.

STATINTL 2. Several unanticipated organizational and personnel changes which have occurred since [REDACTED]' nomination make it important that he be withdrawn in order to fill a high priority position.

3. I note that, in addition to the approved alternates for the Industrial College, there are a number of senior officers who are approved alternates for other schools. It occurs to me that in the event the alternates named for the Industrial College are not available, then other senior officers on the list of alternates might be selected. If you feel there is a problem in this regard, please let me know and I will try to find a new candidate. I believe we should fill our quota for this and all of the other senior schools.
